Notes On This Chart

This arrangement is based on the recording specified above. It matches the key and roadmap of the recording exactly. Use the recording as a style guide for the rhythm section. The Lead Sheet and Rhythm parts have some specific rhythmic directions in them to aid in getting the groove. An octavo is provided for use with a choir.

Chart form:  Intro-V1-V2-V3-V4-Tag-Outro

Instrumentation

This arrangement provides flexibility for use with large or small musical groups. Three-part vocals are provided for use with worship team or choir. The rhythm section charts can be used alone, or various instrumental groups can be added. The Core Horn Section parts provide a jazzy sound suitable for standalone use. The other instrumental parts can be used alone or in addition to the horn section to scale the sound up to a full orchestra. Several substitution parts are provided, allowing charts to be used with a variety of instrumentations.

Rhythm Section Parts

- **Lead Sheet** – Three-part vocals with chords for worship leaders, vocalists, and rhythm section players who prefer to follow the words.
- **Rhythm** – For rhythm section players who can read a chart.
- **Acoustic Guitar** – For acoustic guitar when using a capo on charts where needed.
- **Piano-Vocal** – For pianists who read by note. This includes the vocals and chords.
- **Keyboard String Reduction** – For keyboard players to use in place of or to supplement a string section.
- **Percussion**

Core Horn Section Parts
