

GREATER LOVE

VERSE 1 You are the mighty Warrior, Lord
Who broke the back of hell
Yet not without great loss of blood
And even death itself
You stripped Yourself of glory
To lift me from the mire of sin

CHORUS Greater love has never been seen
You paid the greatest price
To make us Your redeemed
Greater love has never been known
No other love's so deep
No other love's so sweet as Your love

VERSE 2 You are the Prince of Glory, Lord
Majesty, holy King
The fairest of ten thousand, Oh
Why should You notice me
Yet so much tender mercy
For helpless sinners fills Your heart
